Organization of the competition:

Class FOOTY:

1. The racing track will be triangle – shaped marked by yellow buoys with numbers. Starting/finishing line will be outside of the marked track indicated by red buoys, in the axis of the starting pier's halt, approximately 2 meters from the pier's edge.
2. Competitors will be divided into groups for heat – up rides according to their age: pupils and juniors (date of birth 2001 and younger) and seniors. In case of low participation everyone will be riding together.
3. One heat-up ride, consisting of 10 rides, can participate a maximum of 10 boats. If the number of boats participating will be higher, the maximum can be raised to 15.
4. From each qualifying heat-up ride 5(ev. 7) boats will proceed directly to finale/semifinale heat-up rides. The number will be established so the amount of boats participating in the final heat-up ride won't exceed 15.
5. The inclusion of the competitors into qualifying heat-up rides will be according to their ranking in „Footy in the Czech“, „Moravian Cup“ and Championship of Poland. And so competitors will be divided into groups evenly by the performance. Participants, that haven't competed in anything, will be drawn.
6. Competition will proceed according to Footy Class Rules, when one heat-up ride will be evaluated the same way as the whole competition.
7. Competing models must have a registration number. Competitors, that don't have their model registered yet, can send a request to national registrars. If you are not interested in registration, write it in your application and a temporary registration number will be assigned to you by the organizer.

Supplementary competition "Footy Sprint"

1. Entrants will be drawn into a progressive spider similar to tennis.
2. If the correct number of contestants for the full cast spider (2,4,8,16, ...) is not entered, some of the contestants in the spider will be deployed higher. It also decides the lot.
3. The track will be 5m long, marked with 2.starting and 2.truck buoys. It will be built towards the back or side wind. The width of the track is not restricted by the rules.
4. In the competition, the right of navigation is the same as in any other competition.
5. A pair from spiders will ride only one ride and faster in the ride.will goes to the next round.

Sailboat's Regatta „O Znojemskou okurku“

1. The racing track will be ellipse – shaped marked with two buoys with numbers. Starting/finishing line will be the same as Class Footy's.
2. 3 competitive heat-up rides (each 60 mins. long min.). In case of propitious weather rides can be longer.
3. All sailboats assigned to Regatta will be starting together. Final results will be counted according to rules for the NSS class.
4. Heat-up ride will be running according to the yachting rules with an apendix for RC models.
5. Everyone competing in Regatta will get their own competitor's number, which will be printed on their tag. Competitors will receive their tag number during presentation.
